"Enjoy the tastes of Argentinian Cuisine
and Authentic Argentinian Steak
in Traditional South American Surroundings"

We consider every dish on our menu to be special, but those that warrant special attention include Parrillada which is a dish that includes Beef steak, Chorizo & Morcilla (types of sausage), Ribs, Pork Loin, & Chicken, and also Carbonada, a home made Beef and Potato Stew; and not forgetting the famous Argentinian Steaks with Chimichurri Sauce.
